We do not use cookies on this web site.

Ways Information About You is Used

We use personal information to better counsel clients on how best to utilize various private and public programs. We use the information collected to send you a follow-up reminders of the class you have registered for and may use this information to help respond to your inquiries. In addition, HIP compiles demographic data about the clients its serves. This information is compiled in such a manner that it does not identify a specific client.

What Information About You is Shared.

HIP/HIP Services does compile general demographic data about the clients it serves, as required by its various private and government funding sources. No information tied to your name is shared, sold, or traded with third parties unless you have given your express written permission. Users of this site will not receive unsolicited contact from third parties.

Protection of Information Being Transmitted

HIP uses PayPal for credit card transactions. PayPal stores and process your personal information on their computers in the US and elsewhere in the world where PayPal facilities or its service providers are located, and PayPal protects it by maintaining physical, electronic and procedural safeguards in compliance with applicable US federal and state regulations. PayPal uses computer safeguards such as firewalls and data encryption, it enforces physical access controls to our buildings and files, and it authorizes access to personal information only for those employees who require it to fulfill their job responsibilities. To view PayPals' complete privacy policy, go to https://cms.paypal.com/us/cgi-bin/marketingweb?cmd=render-content&content_ID=ua/Privacy_full&locale.x=en_US
